Ingredients:

2 lbs Potatoes cubed
¼ C Vegetable Oil
1 Dry Ranch Packet or
1 ½ TBS Dry Ranch mix
1 - 2 C Shredded Cheese

Instructions:

Preheat oven to 450.

Cube potatoes into bite-size pieces and add to a large bowl. Add Vegetable Oil and Dry Ranch.

Stir well until well coated.

Pour potatoes onto an ungreased cooking sheet. Bake 30 minutes. You want the potatoes just a little brown.

When the potatoes are to the right brown crispiness that you like sprinkle with cheese and return to the oven for a couple more minutes. Just long enough for the cheese to melt.

Serve and enjoy!
